Half life: Zombie Ghost attack

Half-life: Zombie ghost attack

CHAPTER 1

It was a butiful day in venitain when Mr Cole Jefferson moved in his house. Hr had finished putting a picture of is butiful family on a table next to his awesome radio when he was approached by his neighbor. "Howdy new neighbor" said his neighbor. Mr Cole looked at him and said "Are you here for milk" but his neighbor shook his head and said "no, my name is Mr Crowly from Crowly in the morning, it's a radio show. I just came here to say hi" He stopped and looked at his family's picture and said "Is that your family?" Mr Cole nodded. Mr Crowly looked at his watch and decided to go home. Mr Cole decided to have a look around his new town so he walked to the docks and saw a man on the boat with a huge rod, it was so big that womens would crowd him in the street and kiss him. He was fishing for turtles so Mr Cole decided to buy one. "One Turtle" said cole. "Ok, just let me get one, DAMN IT" said the fisherman as his huge rod fellin the water. "Better go get it" said the fisherman. As Cole sat on the dock, the sun set. "Butiful aint it?" said the fisherman. "I'm glad I moved hereâ€¦ I will be happy as the sun" said Cole.

CHAPTER 2

It was getting drak and foggy so Cole decided to get home. His spine shiverd and he looked around and thought he was being stalked. He started to walk fastly then run then sprint at light of speed to house where he left porkchops cooking in the oven. When he got home he heard someone shout "BOO" and thought as ghost was his house but

when he turned around it was only Mr crowly. "Got ya" said Mr Crowly. "anyway, Got milk? I neeed it now" but cole shook his head and went off to bed.

Cole woke up and looked around, he put on his shoes and went outside. As he steeped outside, he saw the sky was red like a squirrel and foggy as gas. He walked into the street to find blood everywhere, his insinc was right all along. People crowded the streets whispering until they heard screams. A scientist man came and said he had a shelter by the docks, so he walked off to some warehouse and some people followed.

Cole decided to follow because he saw Mr Crowly with them, he didn't trust scientist man so he walked off when they arrived. He heard noises and screams which scared him like to hell so he went back to the shelter only for the door to blow off on his faice and see scientist man run off into streets, so cole followed him into a place where a paranormall investigator esd conduckting tests, people from the wherehouse crowded the door and mummered that he went crazy, someone said he must of forgot his pills. Then smoke filled the room and a scream was heard.
